| <input type="checkbox"/> Not employed by the Wellbeing Services County of Pirkanmaa | | |

By signing this form, I commit myself to comply with the rules of Tampere Surgical Education Centre.

I will keep secret all information coming into my possession through my visit in Tampere Surgical Education Centre pertaining to the deceased persons' description, illnesses, examinations, and identities. I will not discuss, during or after the training event, about the cadavers in training in such way that outsiders might hear me.

I will follow all instructions given by the staff on the protective garments, asepsis, and radiation protection, whenever fluoroscopy is used. When a cadaver has not undergone a medicolegal autopsy before the training event, I will comply with the given protocol for such a situation.

I pledge myself to treat the deceased with respect to their human dignity and legal rights. I will only perform the procedures that have been agreed on before the training event. I will close all incisions carefully.

It is absolutely forbidden to take photographs or videotape the deceased in the surgical laboratory. If there is a need to photograph beyond the immediate training sessions, one must turn to the staff of Tampere Surgical Education Centre.

This commitment is made in one copy, and it is preserved in the Tampere Surgical Education Centre for five years.
